

「Steel Construction Symposium2019」Academic Session

27th JSSC Proceedings of Constructional Steel

Call for Papers / Reports

1. 27th JSSC Proceedings of Constructional Steel

Event Date : 2019.11.21 (Thursday) ~ 11.22(Friday) (TBD)

Organizer: Japanese Society of Steel Construction

Sponsors: JSCE (Japan Society of Civil Engineers) · AIJ (Architectural Institute of Japan) · The Society of Materials Science, Japan · The Japan Society of Naval Architects and Ocean Engineers · Japan Association for Wind Engineering · Japan Association of Earthquake Engineering · The Iron and Steel Institute of Japan · Japan Welding Society · The Japan Iron and Steel Federation (TBD)

V e n u e: TFT Building (Tokyo Fashion Town Building) 9F (TBD)

*It is expected that the Steel Construction Symposium will be certified in the CPD Program of JSCE

Outline of the JSSC Proceedings of Constructional Steel and the Steel Construction Symposium

Since 1993, the Japanese Society of Steel Construction has been publishing <The JSSC Proceedings of Constructional Steel> and holding the Steel Construction Symposium · Academic Session every year, where the papers in the proceedings are presented. In every session, “Best Presentation Award” is given to the most excellent presenter of 35 years old or younger.

In 2019, <The JSSC Proceedings of Constructional Steel (Vol.27)> will be published, and the academic sessions will be held. The following is the schedule and submission guidelines. The submission from a wide range of related fields is welcome.

2. Application and Schedule

■ Application

□ Application Qualification: No requirement.

□ Number of Applications: One application per person.

□ Number of Authors: Within 5 people. Regardless of members or non-members, anyone can be authors.

□ Application Deadline: ~17:00 23rd April (Tuesday), 2019

□ How to submit: The Online submission system is available for your abstract submission.

URL: <https://jssc-symposium.info/author/login>

*Please refer to “4.Submission outline” regarding to operation.

*If the paper/report has been accepted, the person who made the application should do the presentation at the Steel Construction Symposium.

*The presenter must pay the “registration fee” (including the JSSC Proceedings of Constructional Steel)

- held by other associations or institutes.
- Contents which have been published as an abstract or proceedings for presentations at international conferences, colloquium etc.
- Contents which have been published in bulletins of universities, research institutes, company etc.
- Progress reports of researches commissioned by national and local governments, industries and organizations.
- Contents that are updated, integrated and/or reorganized from the contents previously published as a paper/report.

4. Submission Outline

Register the information of the presenter from the following link. The abstract can be uploaded after the registration.

The Online Submission URL: <https://jssc-symposium.info/author/login>

Registration can be started from “Here to register” icon.

* The person who did the registration will be the presenter at the Symposium; therefore, the registration should be done by the presenter.

■ Fill following items. (Underline items must be filled)

- 1) Name
- 2) Affiliation (Organization/Company, Department, Full academic title/Professional position)
- 3) Academic degree
- 4) Contact address
- 5) Whether the presenter is 35 years old or younger at the end of April 2019.
- 6) Whether the presenter received “The Best Presentation Award” two times or not in the past Symposium.
- 7) Member registration status
- 8) E-mail address and Password of the account

Completed registration will be noticed though E-mail (registered E-mail will be used). If needed, the registered information can be edited from “Edit Contributor”.

※ If the email is not delivered, incorrect email might be used during the registration. In that case, make contact with the office shown in “6. Contact Information”.

■ Abstract submission procedure

After login the system, move to the “New Registration”.

Registration will proceed in the following in order: “Confirm Contributor information →” Author Information “→” Abstract Information“. Fill the items according to the instruction.

“Paper/Report Abstract (2pages)” should be attached by PDF format.

Following Information are needed during registration.

● Contributor information (Confirmation of contents of previous paragraph “Entry items for new contributor“)

※ Please correct contributor’s information, if you find wrong portions, because the person who did the registration will be the presenter at the Symposium.

● Co-author’s information

● Paper information (Following items must be filled)

- 1) Areas of Research No. (【1】～【21】)
 - 2) Research field (1. Civil Engineering, 2. Architecture, 3. Common to Civil Engineering and Architecture (interdisciplinary), 4. Shipbuilding·Marine, 5. Others)
 - 3) Category (Paper or Report)
 - ※ The abstract will be reviewed from an academic viewpoint for a paper, and a technical viewpoint for a Report.
 - 4) Keywords (3~5 words)
 - 5) Title of paper/report (Japanese and English)
 - ※ The Japanese title must be no longer than 30 characters, and the English title must not be longer than 20 words. Subtitle and commercial advertisement are not permitted.
 - 6) Language of the Paper/Report (Japanese or English)
 - 7) Either 「a) Novelty」 or 「b) Usefulness」 (can be both) of the paper/report must be written. Japanese must be within 400 characters; English must be within 200~300 words.
- * If any inappropriate or unclear descriptions were found in the paper/report or in the registered information, there is a possibility that the review will not be done.
- * Registered information of the authors might be used during the process of the review and/or organizing the Symposium.

■ Guidelines for the「Paper/Report Abstract」(PDF, 2 pages)

· Paper/Report Abstract should be 2 pages (A4 paper in portrait orientation, horizontal writing. Other formatting details are left to the author). At the very top of the abstract, write the title and authors' name (with their affiliations). In the remaining space, please write specifically and clearly about (1) Purpose, (2) Method, (3) Results and Discussion and (4) Conclusion, using appropriate figures and/or diagrams, etc.

■ PDF data Format

- The manuscript should be a PDF file converted by Adobe Acrobat 4.0 or higher. Submit Paper/Report Abstract as one 2-page PDF file. Allowable file size is 2MB. A manuscript exceeding this size will not be accepted. Do not use any compression tools.
 - When converting the file to PDF, there is no restriction on the resolution. Adjust the resolution so that the total file size is within the above requirement. Please note that when image data (Figures/Photographs) is included, the output quality may deteriorate when converting to a PDF file. The recommended resolution is 600~1200 dpi for text and black and white bitmap images, and 300 dpi for color and gray scale bitmap images.
 - The characters of the body text should be black, but there is no color restriction on the Figures/Tables/Photographs.
 - Please do not lock or add a password to the PDF file. In addition, there may be a case where an additional submission of the original file (the file before converting to PDF) is required, so please be sure to keep the original file without deleting it.
- * You cannot convert a file to a PDF format using the “read-only” Acrobat Reader.
- * If any error happens when converting file to PDF format, please refer to the Adobe System Corporation website (<http://www.adobe.com/jp/>).

■ Formatting Settings

The font used in the manuscript should be limited to the following styles.

OS	Windows	Macintosh
Japanese Format	MS Mincho or MS Gothic	Narrow Mincho, Mid-Gothic, Heisei Mincho, Heisei Kaku Gothic

English Format	Symbol, Times, Times New Roman
-------------------	--------------------------------

*Don't use characters or figures which depend on environment of the individual PC.
There is some possibility of garbling characters.

5. Member list of JSSC Annual Proceedings of Constructional Steel Editorial Committee(TBD)

<Committee Chairman> KISHIKI Shoichi (Tokyo Institute of Technology)	<Vice Committee Chairman> IWASAKI Eiji (Nagaoka University of Technology)
<Committee Member> ASADA Hayato (Kobe University)	TAMURA Hiroshi (Tokyo Institute of Technology)
ABE Masato (BMC co.ltd.)	TERAO Nao (JFE Steel Corporation)
OKUBO Nobuhito (FaB-Tec Japan Corporation)	NAGATANI Hideki (Miyagi Engineering co., LTD.)
OHYA Takanori (Tomoe Corporation co., LTD.)	NISHIO Mayuko (Yokohama National University)
OKADA Seiji (IHI Infrastructure systems co.,Ltd)	HAYASHI Masaki (NTT Facilities, INC.)
KISHI Yusuke (Tokyo Metropolitan University)	HIROHATA Mikihiro (Osaka University)
KIDO Masae (The University of Kitakyushu)	MUKAIDE Seiji (Osaka Institute of Technology)
KOMATSU Masataka (Japan Bridge & Structure Institute, Inc.)	MORO Mitsuru (CHODAI CO., LTD.)
SATO Atsushi (Nagoya Institute of Technology)	YASYNAGA Junpei (JFE Steel Corporation)
SHIMADA Yuko (Chiba University)	YAMADA Kosuke (ALLOY co., LTD.)
SHIMIZU Nobutaka (Nippon Steel Corporation)	YOSHIDA Fumihisa (Daiwa House Industry Co., Ltd.)
TAKAI Toshikazu (Kyushu Institute of Technology)	WATANABE Hitoshi (Kume Sekkei Co., Ltd)
